Commissioner of Patents and Trademarks

The reply filed on 10/10/02 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): the claims as amended do not comply with 37 C.F.R. 1.121. In particular, Applicants requested in the CPA transmittal letter that the amendment after final received on April 22, 2002 be entered while concurrently filing a preliminary amendment with the transmittal letter. The preliminary amendment indicates that claim 1 has been amended however, claim 1 as filed in the preliminary amendment is the same as claim 1 filed in the amendment after final of 4/22/02, and does not appear to be amended. Furthermore, the marked up copy of claim 1 submitted with the preliminary amendment of 10/10/02 does not correspond to claim 1 in the now entered amendment after final. Any preliminary amendments should amend the claims as set forth in the now entered amendment after final. In addition, as noted in the advisory action mailed on 5/16/02, the clean and marked up copies of claims 5 and 25 do not correspond. In the preliminary amendment filed on 10/10/02 the clean and marked up copies of claims 5 and 25 still do not correspond. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
